GRAPHICS

- We prefer file formats such as: Adobe Illustrator (.ai) or (.eps) files. Mac or PC Corel Draw Photoshop. The preferred format is in vector (.eps)
- Make sure you outline your fonts if you are submitting a vector file.
- We also accept these type of files: .JPG .GIF .BMP .TIFF For these types of file please make sure you send us the highest resolution and largest size of your image (300 DPI or greater preferred). The better the artwork you send the better the shirts will look.
- If your file type is not listed please send it anyway and we will do our best to work with that file. If we can't process your request we will contact you and find a solution.

WHERE TO SEND YOUR ARTWORK

- Artwork can be e-mailed to us at ilenestich@yahoo.com
- Please be sure to include your name and phone # so we can reference your order

- If you know the PMS values of the colors in your logo, please include them as well.

*****NO MINIMUM ORDERS REQUIRED*****

WHAT ABOUT SIZE?

- For screen printing (silk screen) size will not matter. The charge for screen printing depends on the number of colors in your logo. Embroidery size DOES matter as the number of stitches increases with the size of the logo, text or artwork.

TIPS TO REDUCE YOUR COSTS

Embroidery is priced by the number of stitches in your logo. A small left chest logo ranges anywhere from 4000 to 7500 stitches.

Here are some tips to reduce the cost of Screen printing.

- Reduce the number of colors in your print
- Print on 1 side only
- The more you order the cheaper it gets
